

2020 REGISTRATION OPENS- MARCH 5, 2020 AT 9AM

Here's how it's going to work:

1. 9 AM sharp: Website registration link activated - <https://habitatgfw.com/women-build/>
2. Have your team leader name and team money (\$250 total) ready - it's mandatory to register. (As a reminder, each spot is \$50 so if you have five on a team, that totals \$250. Each person's registration fee can be crowdfunded or individually donated. Do you have two friends to give \$25/each?)
3. Have your top THREE preferred dates chosen. (A link to open shifts will be available to look at before you register.)
4. PLEASE NOTE - all shifts will be filled on a first come first serve basis as we will go by the time stamp of your registration.
5. Fill out the registration form which will ask for team leader and team member names & email addresses. (If you do not know who's all going to be on your team yet, it's okay! However, team leader info is mandatory.)
6. If you are signing up for multiple teams, you can do so with one registration form; simply pay the total team amount, list preferred dates, team leader info and indicate your intentions in the notes section.
7. Once registration has been completed and received internally, our staff will place your team on the final schedule AND respond to the team leader with confirmation and further instruction.
8. Each team member will have the chance to earn incentives through additional fundraising via a crowdfunding page, if they so choose. It's not mandatory but we'd love for you to give it a shot!

Please do not hesitate to reach out to Hailie Workman, Development Manager, with any questions at hworkman@habitatgfw.com! We want to make this an incredible experience for you and your team!
